

INSTRUCTIONS for Changing Social Security and/or SSI Direct Deposit

There are several ways for individuals to set up or change the bank account where their Social Security benefits or SSI payment are deposited: online, by telephone, or through a personal representative appointed by them.

1. Individuals can call 1-800-772-1213 for Social Security to change their direct deposit information. They will have to give their personal information, address, monthly amount received, their current bank account routing number and account number and the new account routing number and updated account number. For those who are hard of hearing the TTY line is 1-800-325-0778.
2. Members who are able can sign up for an account with “My Social Security” or log in to their existing account. They can change the direct deposit routing number and account number to which their Social Security benefits go.
